

**I ♥**  
**the EUROPEAN  
INHIBITOR  
NETWORK**

### ***The European Inhibitor Network***

is a project of  
the European Haemophilia Consortium (EHC)  
that brings together people with  
haemophilia and other bleeding disorders who  
have inhibitors, as well as their caregivers.

Find out more about different aspects  
of living with inhibitors and join the community  
on [www.ehc.eu/community!](http://www.ehc.eu/community!)
